A hand-drawn schematic diagram enclosed in a rectangular frame labeled 144. The diagram illustrates a network topology with five nodes represented by squares. A central node, labeled 306, is connected to three other nodes: node 302 to its left, node 304 above it, and node 310 below it. Node 310 is further connected to node 308 via a dashed line. All nodes are represented by squares, and the connections are solid lines except for the dashed line to node 308.

The image is a screenshot of a Netscape browser window. The title bar reads "VIPsite - Netscape". The menu bar includes "File", "Edit", "View", "Go", "Communicator", and "Help". The toolbar contains icons for "Back", "Forward", "Reload", "Home", "Search", "Netscape", "Print", "Security", and "Stop". The status bar at the bottom shows "Bookmarks" and "Location: https://vip.m2mvp.com/_mem_bin/FormLogin.asp?En=". The main content area displays a login form with the following elements:

- A "UserName:" label followed by a text input field, annotated with a handwritten "406" and an arrow.
- A "Password:" label followed by a text input field, annotated with a handwritten "404" and an arrow.
- A "Submit" button, annotated with a handwritten "410" and an arrow.
- A link labeled "Forgot your password?", annotated with a handwritten "408" and an arrow.

The entire browser window is annotated with a handwritten "400" and an arrow pointing to the status bar area.
